PROFILE

Results-driven Test Automation Engineer with experience in designing, developing and executing test scripts; leveraging AI techniques in automation to optimize quality assurance processes and streamline CI/CD pipelines.

SKILLS

- **Technical Skills:** JAVA, Selenium WebDriver, Appium, TestNG, Postman, SQL, Apache JMeter, Maven, HTML, CSS, REST API Testing, Page Object Model (POM)
- **Tools:** Git, AWS, Appium inspector, Jenkins, JIRA, Bitbucket

WORK EXPERIENCE

QA Trainee, QA Automation

May 2024 – Present

Atimi Software

Bengaluru, India

- Engineered and maintained over 120 automated test cases using Selenium, Appium, and TestNG for validating critical web and mobile functionalities, ensuring 98% test coverage across iOS and Android
- Refactored and modularized the automation framework into a Page Object Model (POM) structure, improving scalability and reducing maintenance overhead by 65%
- Developed and integrated API testing modules using Postman and REST Assured, validating request/response payloads and ensuring stable backend communication
- Reported and tracked critical defects using JIRA, coordinating with cross-functional teams to drive timely resolutions and quality improvements

PROJECTS

Leading Audiobook Streaming Platform – Automation Testing project

- Conducted functional, regression, UI, and API testing to ensure application stability.
- Executed cloud-based device testing using AWS Device Farm, Browser Stack, and Sauce Labs.
- Logged and tracked defects in Jira, collaborating with developers for faster resolutions.
- Ensured cross-browser and cross-platform compatibility.
- Balanced manual and automated testing for optimized test coverage.
- Participated in Agile methodologies, including daily stand-ups and sprint planning

EDUCATION

Bachelor of Technology – Computer Science

Jul 2019 – Jul 2023

University of Engineering & Management, Kolkata

8.33/10.00 CGPA

Among the top 5% of the batch

Academic Projects: Asset Management System, Hotel Automation Software

12th – Senior Secondary – Science

Apr 2017 – May 2019

Gyan Niketan Senior Secondary School, Patna

60.8%

10th – Higher Secondary

Apr 2016 – Apr 2017

Gyan Niketan Senior Secondary School, Patna

8.8/10.00 CGPA

AWARDS AND ACHIEVEMENTS

- Appreciated by project leads for proactive collaboration and timely delivery of high-impact, business-critical test modules under tight release schedules and quality benchmarks
- Appreciated by project leads for proactive collaboration and timely delivery of high-impact, business-critical test modules under tight release schedules and quality benchmarks
